

ORDINANCE 7 - 2011
ORDINANCE REPEALING CHAPTER NO. 31 OF
THE WOODBURY HEIGHT CODE TO ABOLISH
THE ENVIRONMENTAL COMMISSION

WHEREAS, the Environmental Commission was established in 1996 toward the purpose of advising the governing body, Planning Board and other municipal entities on matters involving the use of natural resources, protection of the environment and indexing of open space within the Borough; and

WHEREAS, since such time as the Commission was established, the Planning Board has adopted a Master Plan and Re-examination Reports to such, all of which has addressed the matters heretofore considered by the Environmental Commission;

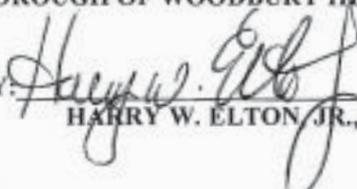

WHEREAS, the Borough Council recognizes that a large majority of the land mass of the Borough is already developed and there remains little open land available for new development which presents the most challenges to the environment and protection of the Borough's natural resources; and

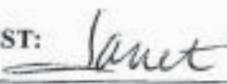

WHEREAS, the Borough Council believes that the Planning Board and it's professional consultants are presently better qualified to address the issues and matters for which the Environmental Commission was heretofore established and the Borough deems it more efficient to have the Planning Board address these matters at the time of its review of development or redevelopment applications;

NOW, THEREFORE, BE IT ORDAINED by the Borough Council of the Borough of Woodbury Heights that Chapter 31 of the Woodbury Heights Code is hereby repealed in its entirety;

BE IT FURTHER ORDAINED that all Ordinances, or parts of Ordinances, inconsistent herewith are hereby repealed to the extent of such inconsistency.
