“Businesses and private nonprofit organizations may borrow up to \$2 million to repair or replace disaster damaged or destroyed real estate, machinery and equipment, inventory, and other business assets,” said SBA’s Philadelphia District Director Antonio Leta.

For small businesses, small agricultural cooperatives, small businesses engaged in aquaculture and most private nonprofit organizations, the SBA offers Economic Injury Disaster Loans to help meet working capital needs caused by the disaster. Economic Injury Disaster Loan assistance is available regardless of whether the business suffered any physical property damage.

“Loans up to \$200,000 are available to homeowners to repair or replace damaged or destroyed real estate. Homeowners and renters are eligible for loans up to \$40,000 to repair or replace damaged or destroyed personal property,” said Kem Fleming, center director of SBA’s Field Operations Center East in Atlanta.

Applicants may be eligible for a loan amount increase up to 20 percent of their physical damages, as verified by the SBA for mitigation purposes. Eligible mitigation improvements may include a safe room or storm shelter, sump pump, French drain or retaining wall to help protect property and occupants from future damage caused by a similar disaster.

Interest rates are as low as 3.675 percent for businesses, 2.5 percent for nonprofit organizations, and 2 percent for homeowners and renters with terms up to 30 years. Loan amount and terms are set by the SBA and are based on each applicant’s financial condition.

Applicants may apply online using the Electronic Loan Application (ELA) via SBA’s secure website at [DisasterLoan.sba.gov](https://DisasterLoan.sba.gov).

Businesses and individuals may also obtain information and loan applications by calling the SBA’s Customer Service Center at 1-800-659-2955 (1-800-877-8339 for the deaf and hard-of-hearing), or by emailing [disastercustomerservice@sba.gov](mailto:disastercustomerservice@sba.gov).
