

WOODBURY HEIGHTS LEAF COLLECTION FINAL PICKUP NOTICE

Residents of Woodbury Heights,

The Public Works Department will begin a **FINAL LEAF COLLECTION** of the entire town beginning on Monday, December 16, 2019. The final collection will last several weeks to ensure all streets are collected. **Once your street has been picked up after Monday, December 16, 2019, there will not be another fall leaf pickup in your area.** There is a weekly brush collection every Monday, excluding holidays, that leaves can be placed in cans and bags and collected. The Public Works Department appreciates your patience as always during this season as it is very busy for us.

Ryan Wells

Public Works Director
